• Samples resulted positive	14	0	►	

Coordination

- *An early warning case is being tracked in the Municipality of Lingwala (Kinshasa) by the Epidemiological Control Commission (ECC). This case however is from the Health Zone of Sankuru in the Province of Kasai Oriental*
- ****Three samples still being analyzed**
- Two hotline number have been set up to allow the population to get information on the disease and ongoing efforts **081 08 000 20 et 099 99 710 05**
- Samples from Boko-Kinvula (Bas-Congo) received on Wednesday, 3 September 2014, were negative
- A regional meeting of SADEC Health Ministers was held in Victoria Falls / Zimbabwe on the management and prevention of the Ebola disease with two key recommendations:
 - Standardiser les interventions dans le cadre de la prévention de la propagation de la MVE
 - Renforcer les mesures de contrôle sanitaires aux frontières sans entraver le trafic international
 - Standardize interventions in the prevention of the spread of MVE
 - Enhance the sanitary border control without impeding international traffic
- Re-opening of schools in Boende and Lokolia postponed for a week, from 8 to 13 September, instead of two

<p>weeks as previously planned.</p> <ul style="list-style-type: none"> • Activation of the contingency plan to prevent the entry of sick people from West Africa • Free medical treatment to all patient in the affected areas
